The Siwinis Lodge 252 is hosting the first Firestone Work Day Project designed to get the camp back into shape after the fires of November, 2008. This work day is open to all registered Boy Scouts, Venture Crew members and adult Scouters. We are sorry, but because of the work involved and for safety reasons this event is not open to Cub Scouts. Membership in the Order of the Arrow is not required to attend, only a love of camping, Scouting and our beloved Scout Camp, Firestone.

Continental Breakfast from 7:30 to 8:30 a.m. will be provided by the Siwinis Lodge.
