Cub Scout Rocket Encampments

Session A – March 19-21, 2010

Session B – March 26-28, 2010

The Siwinis Lodge 252 is once again working at the Spring Rocket Encampments and we are looking for a few good Arrowmen to volunteer to help out with these events.

Our purpose is twofold, the first part is to provide Service to the Cub Scout Program of our Council by working as Staff; helping to run the events, working as First Aid Teams and Medics and to work in the OA Field Kitchen.

The second part is to help in the OA Fundraiser, which is to provide meals to the Cub Scouts and their Families who purchase the Meal Plan and to feed the Staff Members. If you register for the Fundraiser part, you will receive a share of the funds earned by the OA. You can sign up to work on your own behalf or for another Arrowman. You can also just come and work as a volunteer and not be part of the Fundraiser, this allows funds to be earned toward the Lodge Treasury as well.

This opportunity is open to all registered Youth members, their parents, and Adult members of the Siwinis Lodge 252.

Meet at the Firestone Scout Reservation, the Loma Linda Camp site, on Friday, March 19, between 6:00 – 7:30 p.m. For Session A; or Friday, March 26 between 6:00 – 7:30 p.m. For Session B and register at the OA Trading Post Area and Field Kitchen.

Uniforming: Class “A” Uniform with your Sash.

Transportation to and from the event is the responsibility of the individual scout. If transportation is not provided by the scout’s parent, permission slip should be signed and carried by vehicle operator. All Arrowmen need to have their current Medical Form and Signed Permission / Release Form.

Please notify your Chapter Chief for planning & food purposes by March 15, 2010.
